Michael,

Please review and let me know if you're ok with Megan's changes. (I'm ok with them.) You'll have to add a paragraph break back in before the final paragraph ("Again, thank you for your letter....."). If all ok with you, please put together a sign-off package, email me the revised version, and we'll get it moving through sign-off.

Becky,

I think it looked good as is and am fine with you using the original language if you prefer that. My changes were to try and avoid repetition and place the goal of the dec. 4 meeting ahead of the date. The one area that I think should be changed is scheduled to be held to will be held, as I think it sounds more definitive.

Let me know what you think.

Thanks,  
Megan

Hi Megan,

Here's the draft response from Susan to the Mayor. Note that I'm only in the office today and tomorrow, then out on A/L the rest of the week.

Thanks,  
-Becky
